# MAKE A DIFFERENCE – TEACH!

Do you want to inspire, motivate, support, guide, and share your passion with young people?

Then train to teach through The OAKS (rated outstanding by OFSTED) and Keele University, and you could do it where the learning happens; in schools.

Apply through the Stafford Hub; this means you will complete at least one of your placements in one of the 7 high schools in the local area.

There are now **bursaries** available of **£26,000** for all trainees with a 2:2 or higher in the highest priority subjects.
