

# Year 8 Homework

## Term 2 - Inside the Body

These are your **homework tasks** for this term. Your **teacher** will tell you which homework to **complete each week** so you may not complete them in this order. As well as these tasks, you will be expected to **collect and bring** in a variety of *readily available materials* to prepare for classwork. When your teacher asks you to collect something, make sure you **write this down in your planner**. If you're looking for an **additional challenge**, look at the bubbles on this page for some extension tasks!

Why not try...

Drawing the whole skeleton and researching scientific names for all the bones.

All **additional resources** are available **online** or in the *shared area* at school!

Create a **title page** for '**Inside the Body**' on the first page in your sketchbook.

*Follow the 'How to create a title page' guidelines to help you.*

Complete an **assessed drawing** relating to *bones*. Your teacher will tell you what to draw.

Create an **artist page** about the Leonardo da Vinci. *Follow the 'How to create an artist page' guidelines to help you.*

Coffee stain a **double page** in your book. **Google images of biro hearts** and stick these around a **biro drawing** that you do.

Respond to your **teacher feedback** comments and take action!

Create a **collage** of microscopic borders around a double page

**Research**- What is an ellipse? Present this in your book.

Want to learn some more about art? Create some interesting **Spin Art** at Tate Kids! Head over to: <http://kids.tate.org.uk/pdf/Textile-Tryout-3.pdf>

Create an **artist page** about Michelle Moode. Look at the artist resource on our website and in the shared area.

Do two drawings of cells in the style of Michelle Moode. Try reproducing the stitch using mark making.

What **other artists** can you find that stitch?  
Do some research and find some examples.

Respond to your **teacher feedback** comments and take action!

Complete the **design work** for your final piece. Remember to include different options and annotation.

Prepare a background that relates to the project and add a title 'Evaluation'.

**Evaluation** of final piece and Inside the body project.

Why not...  
Draw cells on a teabag

**Give it a go!**  
Make a piece of artwork in the **style of the artist!**
