

Behaviour

If your school has decided to share behaviour information with parents, you will see the **Behaviour** tab when viewing pupils from that school.

Selecting this tab will display multiple graphs which represent an overview of your child's **achievement** and **behaviour** data within a **customisable timeframe**.

By default, the displayed date range is **31 days**. To view a different range of behaviour data, click on the **Date** button to select from the available presets or create your own custom date range.

Below these graphs you can find a list of behaviour activity relating to your child. These display the **behaviour** that was awarded, **when** it was awarded, **who** awarded the behaviour, the **lesson** the behaviour was awarded in, and how many **points** the award is worth.

The level of detail within each behaviour award depends on the settings that your school has enabled.
