

# Switching between pupils

If multiple children have been set up on your Class Charts parent account, you are able to switch between them and view child specific data at any time.

To switch between pupils on the desktop view, click on their [name](#) in the left hand side menu.

Their individual pupil dashboard will open on the first entry in the list. You can then switch between tab categories by clicking on the available icons in the list.

You can check to see which pupil is currently selected by looking for the [orange tab](#) highlighting their name in the left hand side menu.

To switch between children on the mobile app, click on the [Pupil](#) icon in the bottom right hand corner of the app and select the child of your choice.

Their individual pupil dashboard will open, allowing you to swipe between their available tabs.
