

Parent/Carer ICT Acceptable Use Agreement

Online channels are an important way for parents/carers to communicate with, or about, our school.

The school uses the following channels:

- Email/text for school announcements and information
- Social media accounts
- The school website

When communicating with the school via official communication channels, or using private/independent channels to talk about the school, I will:

- Be respectful towards members of staff, and the school, at all times
- Be respectful of other parents/carers and children
- Direct any complaints or concerns through the school's official channels, so they can be dealt with in line with the school's complaints procedure

I will not:

- Use private groups, the school's social media pages, or personal social media to complain about or criticise members of staff or the school. This is not constructive and the school can't improve or address issues unless they are raised in an appropriate way.
- Use private groups, the school's social media pages, or personal social media to complain about, or try to resolve, a behaviour issue involving other pupils. I will contact the school and speak to the appropriate member of staff if I'm aware of a specific behaviour issue or incident.
- Upload or share photos or videos on social media of any child other than my own, unless I have the permission of the other children's parents/carers.

PARENT/CARER to sign and complete Combined Consent Form

Please note that the combined consent form will last for the duration of your child's time at Walton High School unless you wish to change them. If so please use a new Combined Consent form available on the school website or from school reception.
