Mr A Leese BA (Hons) NPQH

Dear Parents/Carers

YEAR 10 WORK EXPERIENCE – MONDAY, 29 TH JUNE- FRIDAY, 3 JULY 2026

I am pleased to inform you that we are running a Work Experience week for Year 10 this year.

In the coming months, your child will need to find a suitable placement. It is important to find a meaningful and worthwhile placement, ideally related to your child's interests. I would strongly recommend, that your child avoids working with a family member, and therefore gains confidence in key skills, such as communication and organisational skills, independence and using initiative.

Your child will be provided with a login from their tutor for this website – www.workexperiencesupport.co.uk - which will be a useful resource to find a suitable placement.

Once your child has secured a placement, they will need to login to www.unifrog.org with their school email address and password, and fill in the details of the placement. Please see the instructions, which are attached to this letter.

The deadline to find a placement is **Friday 19th December 2025**. Your child should talk to his/her tutor or find me at school, if facing any difficulty in finding a place, or is struggling to decide on what to do.

This early deadline enables us to process everything and complete the necessary Health and Safety checks where appropriate. It is extremely important to meet this deadline please, as we will not have much time in the Spring/Summer term.

If you have any queries about work experience please contact me via email – workexperience@walton.staffs.sch.uk and I will be happy to help.

All details and information for Work Experience are available on the school website - [Work Experience - Walton High School Stafford](#)

Thank you in advance for your support with Work Experience. We believe it is an important part of your child's broader education and will help inform their decision on future pathways.

Yours faithfully

Mr A Stokes
Work Experience Co-ordinator
